ATTENDANCE

- Students must attend all scheduled face-to-face learning activities (lectures/practicals/studio/fieldwork etc.). If students do not attend these activities, they must inform their lecturers immediately and explain their absence.
- Lecturers will report to the Faculty if the students have been absent for more than **20%** of the total scheduled contact hours of learning activities.
- The Faculty needs to issue a warning letter to the students after receiving a report from the lecturers.
- Students who attend less than **80%** of the total scheduled contact hours of a course in a semester without any reason acceptable to the University, are not allowed to attend all subsequent forms of scheduled face-to-face learning activities and sit for any form of assessment. A ZERO (0) mark will be awarded for the said courses; or Fail (HG) for compulsory audit courses (HW) and courses registered as audit (HS) will not be recorded in the transcript
